

HILLARY'S AMERICA

THE SECRET HISTORY OF THE DEMOCRATIC PARTY

CONTROVERSIAL POLITICAL DOCUMENTARY *HILLARY'S AMERICA: THE SECRET HISTORY OF THE DEMOCRATIC PARTY* RECEIVES PG-13 RATING FROM MPAA

Los Angeles (June 20, 2016) - Dinesh D'Souza's film *Hillary's America: The Secret History of the Democratic Party* has received a PG-13 rating from the Motion Picture Association of America. The MPAA issued the rating in advance of the film's national release on July 22nd.

The latest film from the creators of *America: Imagine A World Without Her* and *2016: Obama's America*, takes audiences on a gripping journey into the secret history of the Democratic Party and the contentious rise of presidential candidate, Hillary Clinton.

In *Hillary's America*, *New York Times* best-selling author and celebrated filmmaker, Dinesh D'Souza, reveals the sordid truth about Hillary and dismantles the myth that all good things in America come from the progressives and Democrats.

This eye opening film sheds light on the Democrats transition from pro slavery to pro enslavement, how Hillary Clinton's political mentor was, literally, a cold blooded gangster, and how the Clintons and other Democrats see foreign policy not in terms of national interest, but in terms of personal profit. *Hillary's America* will expose how their plan is simply *to steal America*.

"This film cannot be ignored by voters during this election," said D'Souza. "What this film explains is the intent and corruption of one party and one person and their desire to steal the most valuable entity in the world today: the United States of America."

Hillary's America, based on the forthcoming book from Regnery Publishing of the same title (ISBN 978-1621573470), will be released nationally on July 22nd by Quality Flix and D'Souza Media. The executive producers are Dinesh D'Souza and Bruce Schooley and produced by Academy Award® winner Gerald R. Molen.
